Paint Your Inner Light – A Journey from Meditation to Masterpiece - invites you to slow down, connect, and create in a space filled with calm and inspiration.

Unleash your creativity with Brisbane artist **Nikki Silk** as you explore a creative and mindful experience that blends art, manifestation, and guided meditation in a relaxed and supportive environment.

Designed to inspire both your inner calm and your imagination, this event will guide you through a powerful meditation to connect with your intentions, followed by a freestyle painting session where you'll bring your vision to life on canvas.

At the beginning of your private group event, each guest will be invited to instinctively choose a crystal that resonates with them. This special crystal will be theirs to keep and take home, a lasting reminder of the creativity, inspiration, and meditation practices shared during the experience.

It's the perfect way to gather with friends for a relaxing experience, whether you're celebrating a hens night, a birthday, a baby shower, or simply enjoying a girls' night in.

***Customised sessions also available for corporate events, wellness days for employees, mindfulness retreats, spiritual retreats, or yoga and meditation weekends.*

Surrounded by laughter, connection, and creativity, you'll leave not only with a unique piece of art, but with memories to treasure.

No art experience is needed - just an open heart and a spark of curiosity!
