*The Crystal & Connection Experience* invites you to slow down, connect, learn, and immerse yourself in an uplifting high-vibe experience filled with crystals, mindfulness, guidance, and meaningful connection.

This immersive private event blends crystal education, guided meditation, oracle guidance, and a beautifully curated shopping experience within a relaxed and welcoming environment.

Designed to uplift, inspire mindfulness, self-care, connection, and positive energy, this unique experience begins with a calming guided meditation session to help guests ground, relax, and connect intentionally with the experience ahead.

Guests will then have the opportunity to receive a personal oracle card reading before taking part in an interactive crystal workshop designed to teach participants how to intuitively select, cleanse, program, and use crystals in everyday life for manifestation, emotional wellbeing, protection, abundance, confidence, and mindful living.

Guests will then enjoy access to a beautifully styled crystal and spiritual lifestyle shopping experience including exclusive crystals, jewellery, tarot/oracle cards, manifestation tools, and high-vibe self-care products in a relaxed boutique-style atmosphere.

Surrounded by connection, mindfulness, positive energy, and uplifting conversation, guests leave not only with beautiful crystals and spiritual tools, but with meaningful memories and a renewed sense of inspiration and connection.
